

NATURAL HISTORY PRINTS						
	IMAGE ID		CATEGORY	TITLE	COMMENTS	AWARD (NA,A,M,H,Trophy)
	Barry Doig	Print	Natural History	Amanita muscaria	The detail in this fungus is shown well, but I would have liked a little more space at the top.	A
	Iain Galloway	Print	Natural History	Pied Stilt	Gorgeous image, well positioned in the frame with good detail, and love the light in the eye	M
	Roger Thwaites	Print	Natural History	Cortinarius species	Lovely lighting and detail	M
	Roger Thwaites	Print	Natural History	Mycena interrupta	Good find and nicely handled	A
	Rebecca Bowater	Print	Natural History	Gentianella stellata	Great species and in good condition, well taken	A
	Rebecca Bowater	Print	Natural History	Mycena species	A very hard subject with Black and White, but it has been handled well.	A
	Irene Buchan	Print	Natural History	Lasius Niger with sheetweb spider Cambridgea foliata	Such is life in NH!. Well found and taken, very interesting.	H
	Irene Buchan	Print	Natural History	Sapromyzidae - red - eyed fly	Amazing image with fantastic detail	H
	Irene Buchan	Print	Natural History	Scolypopa australis - Passion vine hopper nymph	Wow! It is like fireworks going off. Cannot fault this picture.	H Trophy
	Nola Neal	Print	Natural History	Banded Dotterel Charadrius bicinctus bicinctus	Love the feathers on the dotterells chest, and a bonus to see the eggs	A
	Nola Neal	Print	Natural History	New Zealand Kingfisher Halcyon sancta vagans	You will feel proud capturing the Kingfisher with a crab in the beak, but sorry it is too small in the picture	NA
	Mary Shee	Print	Natural History	Petroica australis _New Zealand robin	Nice clean outline of the Robin	A
	Mary Shee	Print	Natural History	Apis mellifera _Honey bee	Amazing how the bee is reaching out for the other flower. Great image	M

Owen Dunn	Print	Natural History	Volcano Crater Lake - White Island	Well taken and the green of the lake is a great colour, but with all the steam clouds I feel that the story of the Lake is lost	NA
Owen Dunn	Print	Natural History	White Fronted Terns	You have caught the terns nicely as they fly out to sea.	A
Ross Beech	Print	Natural History	Pleurophyllum speciosum	Amazing plant all hugged up and fluffy	A
Ross Beech	Print	Natural History	Gastrodia cunninghamii Potato Orchid	Not such a pretty orchid, but detail has been shown well.	A
Joy Brehaut	Print	Natural History	South Island Robin	A pleasant image of a Robin	A
Joy Brehaut	Print	Natural History	Keruru. Native Pigeon	The pigeon is tightly cropped and missing the tail. The main part of the body is not in focus.	NA
